

## aegex10 intrinsically safe tablet

Aegex Technologies provides intrinsically safe mobile devices for the world's most hazardous environments in oil & gas, chemical, mining, pharmaceutical, public safety, utilities and other markets where volatile atmospheres exist. Aegex intrinsically safe Windows 10 tablets bring real-time connectivity to all personnel in multiple zones of hazardous locations, helping them harness the power of their data to optimize efficiency, safety and productivity.

Aegex's 10.1-inch intrinsically safe Windows 10 tablets can be customized with enterprise-class applications and accessories for each team member of a hazardous industry operation. Aegex's unified platform makes operation-wide integration and collaboration simple, with an overarching Microsoft enterprise mobility solution that delivers IT uniformity, operational efficiency, organizational safety and information security. Aegex10 IS Tablets are the basis for a true Internet of Things for hazardous industries.

- **Purpose-Built Intrinsically Safe and Enterprise-Class:**  
Aegex devices are certified UL913, C I, II, III D1, ATEX IECEx Zone 1 and IP65 for HazLoc use.
- **Cloud-Based Data Sharing:**  
Aegex solutions use 4G LTE for real-time collaboration.
- **Enterprise-Class Security with Intel Architecture:**  
Aegex solutions rely on Intel McAfee Security suite for enterprise-wide protection.
- **Customizable Solutions for All Hazardous Zones and Jobs:**  
Build your own solution for each team member with Aegex enterprise applications.

**ATEX IECEx Zone 1**

**UL913 Class I, II, III Div 1**

**10.1" WUXGA Display**

**Powered by Intel  
Atom Quad Core**

**Windows 10**

**Intel Security Suite**
